TERMS AND CONDITIONS

- 1. The Owner/Permittee shall accomplish the prescribed Application Form, with the assistance of the concerned design professional/s and/or the Architect/Civil Engineer, hired/commissioned by the Owner/Permittee as full-time inspector/supervisor of the construction works, by filling up the necessary data / information required thereat.
- 2. The fully accomplished prescribed Application Form, duly notarized, shall be submitted to the concerned Office of the Building Official accompanied by the various applicable ancillary and accessory permits, plans and specifications signed and sealed by the corresponding design professionals who shall be responsible for the comprehensive and correctness of the plans in compliance to the National Building Code (PD 1096), its IRR and to all applicable referral codes and professional regulatory laws, together with the other documentary requirements pursuant to Section 302 of PD 1096 and its IRR.
